Suliman El-Amin (Civilian)

Acrylic on Canvas (n.d.), 24 X 24 in., Courtesy Suliman El-Amin

Description:

The painting depicts a soldier who proudly wears the red, white, and blue but also expresses despair and sorrow. I created this image to bring awareness to the current state of many of our returning troops. For them the psychological and physical effects of combat are real and become more evident as they begin to readjust to civilian life.
